MEMORANDUM FOR: DEPUTY DIRECTOR/INTELLIGENCE

1. Mr. Stambul-Shik, an employee of the Engineer Research and Development Laboratories at Fort Belvoir, Virginia, called the Director's Office this date regarding a study he has compiled on the basis of his research work with ERDL and his past experience on "Military Potential of Russia and Soviet Military Engineering". He feels that the information contained in this study would be of interest to the CIA, and called this office feeling General Smith would be the best person to make an evaluation in view of his previous post in Moscow. Mr. Stambul-Shik's study is classified SECRET, since some of the material contained therein was taken from classified documents.

2. Mr. Stambul-Shik was born in Russia and lived there for twenty-one years, but is now an American citizen. He may be reached at ERDL by calling [REDACTED]
